This Claim Form is one of the means by which you can submit your claim. **IT IS IMPORTANT THAT YOUR CLAIM FORM IS COMPLETE AND YOU HAVE SUPPLIED ANY REQUIRED DOCUMENTATION.** You may also complete a claim on-line at www.XXXXXXXXXX. GENERAL INSTRUCTIONS

1. This Settlement will provide benefits to qualifying Sprint Nextel Customers, whether current or former, who had a flat-rate ETF provision in their subscriber agreement(s). **YOU MAY BE ELIGIBLE FOR BENEFITS WHETHER OR NOT YOU PAID AN ETF.** Four categories of benefits are available. Submit your claim under the category that describes your situation. You may choose only **ONE** of the categories and **ONE** of the benefits under that category. The benefit amounts shown are the highest possible amounts. In the event that the number of claims exceeds the available settlement funds, the benefit amounts will be reduced pro-rata in order to allow the maximum number of claims. To obtain any non-cash benefit selected below, you will need to have a code number given to you by the Settlement Administrator. That code, along with instructions of how to obtain a benefit will be provided to you after the Settlement Administrator's receipt, validation, and, if qualified and complete, approval of your claim. No benefits of any kind will be provided until after the settlement approval is final and no longer subject to modification in the courts, and that could take a substantial amount of time. To obtain the latest information about the status of the settlement, please visit www.XXXXXXXXXX.
2. When documentation is required, produce **COPIES**, and keep all originals in your possession. Be sure that all copies are legible.
3. All claims must be (postmarked) (electronically filed) on or before **DATE** (except for those Persons claiming a benefit under Category IV, in which case the deadline for submitting a Claim Form seeking a Category IV benefit shall be January 1, 2011).
4. All claim materials and representations in support of your claim materials must be true and correct, are subject to verification by Sprint Nextel records, Class Counsel and the Settlement Administrator, and are submitted by you under penalty of perjury of the laws of the United States.

4. Please refer to the Settlement Agreement which can be found at www.XXXXXXXXXXXXXX if you require more detailed instructions, or contact the Settlement Administrator at _____.

5. Please note that no cash benefit is available if you have received a credit, adjustment or off set for the ETF, previously released Sprint Nextel from liability arising out of the ETF in a prior claim or lawsuit or if your account has a past-due balance owed to Sprint Nextel for usage or charges (excluding the ETF).
